Hello all,

There is a CSLA cleanup pending in AMS for Laurel Canyon Blvd between Riverside Dr and Moorpark St:

#181116006 - 4558 N Laurel Canyon Blvd - pending all 3 signatures

In the meantime, based on these photos taken by Sgt. Case on 1/22/19, this looks like it's small enough to be addressed with HOPE.

Hi All,

Please see the below concerns from a business owner in North Hollywood Division. Thank You for your assistance with this location (Laurel Canyon between Riverside Drive and Morepark Ave. including the underpass). Matthew, can you follow up with your Valley Bureau LAHSA Team and inquire if they have been out to this location.

Thanks Much!

Emada

Kris we have sent multiple emails with pictures to everyone at NHPD over the last several months. As far as items at the location on both sides of Laurel Cyn under the 101 frw we have homeless, shopping carts, blankets, boxes, the typical stuff. I have also been advised that your SLO's have visited the location and expect your patrol units drive by the location on a regular basis. The location has been a problem as you know for the last few years. We have reached out previously to Dep Chief Green, Sgt Padilla, and yourself and others before them. It takes an inordinate amount of time and multiple requests to get any action and clean-up. I sympathize with the obstacles your officers face legislatively and politically but doing little or nothing is just not an option especially around a school. We need timely clean-up and continued vigilance to be an effective deterrent. I appreciate the offer of a ride along but given my work/travel

schedule that may not be practical but would welcome the opportunity to conference with Sgt Case. I may have spoken to Sgt Case awhile ago about a much larger encampment issue off the Canoga off-ramp in the west valley that a property developer had brought to our attention.

I can be reached on my cell at 213.999.1346.
